

Venus Express Archive

VEX Legacy session
Poster #2:
New User Interface for Accessing
Archived European Space Agency
Planetary Science Data

Emmanuel Grotheer

Mars/Venus Express (MEX/VEX) Archiving Scientist

New PSA User Interface (UI)

- Archive Scientists, with inputs from the community, develop the requirements for the UI
- Archive Engineers create the code for the UI (1st public release expected Q3 2016)
- If you have additional science use cases / UI functionalities you would like to see in the new PSA, let us know at:
